Elixo 500 3S

- **manufacturer: Somfy**
- 3 meter gate travel in 15 seconds
- compatibility with all Somfy products based on io technology
- quiet work

Reliable, durable and quiet drive for sliding gates. 3S control panel: quick installation, the ability to set operating parameters, intuitive operation. Compatibility with solar power systems, when installed in places that are difficult to access for power supply cables.

The Elixo 500 3S io drive for residential fences supports two-way communication, which is currently the standard in the premium segment.
