FORCA AC133

- **number of channels: 1 or 5**
- frequency: 868 MHz
- permissible operating temperature: from –20 °C to 55 °C
- transmission power: ≤ 10 mW
- power supply: CR2032 battery

The **FORCA AC133** wall-mounted transmitter is a genuine decorative feature for your interior. Its piano lacquer finish is exceptionally attractive and water-resistant, so it can be used without worry even with wet hands.

The **FORCA AC133** comes in two versions: for controlling 1 or up to 5 devices (or groups), with easy switching between channels.

Wall mounting is non-invasive thanks to 3M adhesive, and battery power removes any need to connect it to the mains.
